Arakalugud, Hassan, Karnataka, 573201, India

PROFILE

I'm an enthusiastic MCA student with a strong interest in software development and problem-solving. I enjoy exploring new technologies and building practical solutions that make a difference. I'm eager to join a team where I can keep learning, contribute my skills, and grow both professionally and personally.

SKILLS & ABILITIES

Experienced: Python, C, JavaScript, PHP.

Intermediate: HTML, CSS, MySQL.

Familiar: React, Git

LANGUAGES KNOWN

- Kannada, English, Hindi.

HOBBIES

- In my free time, I love building small web projects, particularly to automate tasks, create interactive websites, or explore data collection through web scraping.
- I spend time on online courses, reading tech blogs, and connecting with tech communities to stay updated
- I find hackathons and coding challenges exciting because they push me to think creatively under pressure.
- Cybersecurity fascinates me, and I love learning how systems can be kept secure.
- Outside of tech, I relax by listening to music and spending time with family and friends
